MEMORANDUM FOR: Secretary, Project Review Committee

SUBJECT: Additional Construction - [REDACTED] 25X1A6a

1. Submitted herewith for your approval is a request for authorization to provide additional construction at the [REDACTED] Station for which Fiscal Year 1955 funds in the amount of \$217,640.00 are required. Funds are available within the Fiscal Year 1955 Approved Program for the [REDACTED] and the Comptroller has been advised accordingly. 25X1A6a

2. The purpose of this Project is to provide a centralized compound which will increase the efficiency and economy of operations of the Station. Included in the request are items for an addition to headquarters building, warehouses and related facilities. Two 97-KW electric generators will be issued from Agency stock without charge to the Project. The capital improvements to the Station will be increased by their value, total \$70,000.

3. Recommend approval.

[REDACTED]
